

3. Counsel for GC2 believes it will need additional pages beyond the Court's 15-page limit to adequately address the arguments made under Rules 8(a) and 12(b)(6) by IGT Defendants, some of which are expressly incorporated by reference in the separate motions to dismiss filed by other defendants. (*See* Dkt. 64, at 15; Dkt. 67, at 3.)

4. Counsel for GC2 has conferred with counsel for IGT Defendants on the requested page limit extension. IGT Defendants have no objection to the relief requested in this Motion. Counsel for GC2 has advised counsel for IGT Defendants that it has no objection to a similar five page extension for the reply brief to be filed by IGT Defendants.

5. This is GC2's first request to exceed any briefing limit, and GC2 believes that no prejudice will result to any defendant as a result of this page limit extension.

WHEREFORE, GC2 respectfully requests leave to extend the page limit of its brief in Opposition to IGT Defendants' Motion to Dismiss, up to and including 20 pages.
